

Donating Gently Used Items?

Green Containers:

If you have gently used items to donate, look for the green containers labeled Eco World around town. You can also drop off items at the Eco World Thrift Store at 5472 W Shaw Ave, Fresno 93722. Please write "Marjaree Mason Center" on the bags you donate. This helps our clients get vouchers for free shopping at the Thrift Store, and we receive a monetary contribution.

Online Pickup:

For added convenience, visit <https://justporchit.com/> to schedule a FREE pickup from your home. Remember to mention "Marjaree Mason Center" when scheduling and label the bags with the same.

Furniture Donations:

If you have larger furniture items, partner with Wings Advocacy by visiting <https://www.wingsfresno.org>. Check their website for more details.

Wish List

All items donated to MMC should be in new condition, in unopened packaging, or with original sales tags. Please bring FULL-SIZED items only; travel sizes cannot be accepted. Gift Cards are essential in assisting clients in rural areas, and for items we do not have room to store.
